

IMPORTANT INFORMATION ON NEW COUNTY-WIDE CURBSIDE RECYCLING

Working Towards the Greater, Greener Good!

Summit County is implementing a new and expanded recycling curbside pickup program, beginning the week of July 2, 2012. This new program will provide curbside service throughout Summit County to all households, excluding cabin and remote areas. This expanded program means that less waste will go into the County landfill and more households will benefit from convenient curbside recycling. This entire recycling program is for residential service only.

What Can I Expect to Happen With My Trash & Recycling?

All current waste carts in the County (whether brown or blue) will turn into recycling carts. All residents will receive new GREY waste carts in the next month. You can begin using the new grey carts for waste after your last service day in June; the new carts will not begin to be emptied until the 1st week of July. If you have been participating in curbside recycling, please note that all recycling will now go into your former waste cart (brown or blue) and can be co-mingled (no more sorting!). Please note that glass will NOT be accepted for curbside recycling. Glass as well as food waste will contaminate your recycling bin.

Our contractor, Republic Services, will deliver the new grey waste cart, which will have an information packet attached to help answer any questions you may still have.

Homes that are currently using more than one waste cart will have the second cart removed. Going forward, additional waste carts will need to be specially ordered; a separate letter with more detail will be mailed to these homes.

Who Can I Contact With More Questions?

If you are interested in additional carts or have other general questions, please contact:

What's OK for Curbside Recycling?

Please empty, clean and crush all containers

- **All Plastics #1 through #7, including Plastic Bags**
Caps and lids left on the bottles are OK.
- **Aluminum Beverage Cans**
- **Tin Cans**
Labels left on the cans are OK.
- **All Paper**
Including newspapers, "junk" mail, corrugated cardboard, paperboard, phone books, office & notebook paper.
Please break down and flatten boxes.

What's NOT OK for Curbside Recycling?

Many items that can't be recycled curbside can be dropped-off at:

- **Recycle Utah**, 1951 Woodbine Way, Park City
- **Coalville Public Drop-off**, 50 West 40 South, Coalville
Open 24/7, collects mixed paper, cardboard, aluminum, mixed metal.
- **Three Mile Landfill**, *Collects mixed paper, cardboard, aluminum, mixed metal, yard waste.*

NO Green Waste — Tree/shrub trimmings may be taken to Three Mile Landfill for chipping. Grass clippings, yard waste, and organic food waste work well in a home composting system. Learn how to compost at Recycle Utah.

NO Glass — Please bring your glass to Recycle Utah.

NO Styrofoam — Please remove these items from the cardboard boxes you may be recycling. Recycle Utah accepts solid Styrofoam and packing peanuts.

NO Food Contaminated Items such as pizza boxes, paper towels and paper napkins.

Other Items, such as small appliances, wax coated cardboard, scrap metal, batteries, thermometers are accepted at Recycle Utah.

HOW TO DISPOSE OF HAZMAT, E-WASTE AND MEDS IN SUMMIT COUNTY

FREE HAZMAT DROP-OFF FOR SUMMIT COUNTY RESIDENTS

Materials Accepted:

- Paints, solvents and woodworking supplies including finishes, thinners, strippers and stains.
- Automotive Products — antifreeze, used oil, brake and transmission fluid, car batteries, gasoline, diesel and fuel additives, solvents and degreasers.
- Household cleaners with high bleach or abrasive content, polishes, drain openers, oven cleaners.
- Fertilizers, pesticides, herbicides insect repellents.
- Rechargeable batteries, fluorescent light bulbs and neon tubes.
- Pool and spa chemicals.
- Mercury-containing items including switches, thermostats, thermometers and smoke detectors.
- Propane and white gas fuel cylinders.
- Film developing chemicals, acids.

HAZARDOUS MATERIALS DROP-OFF INFORMATION

- Collected at the Three Mile Canyon Landfill
For more info, call 435.336.5297.
- Recycle Utah holds an annual Household Hazardous Waste Collection event in May at Canyons Parking Lot.
Check RecycleUtah.org for date and details.

ELECTRONIC WASTE

Accepted daily at the Three Mile Landfill and Recycle Utah in Park City:

- Cell phones, pagers, pdas, ipods, computers, CPUs, keyboards, scanners, boom boxes, stereos, television sets, monitors, laptops, microwaves — any electronics.
- Free at the Summit County Landfill.
- Recycle Utah does charge a fee for electronic waste to ensure safe disposal of toxic materials.

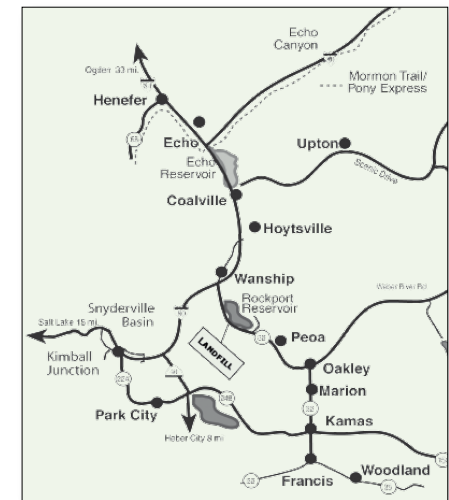

THREE MILE CANYON LANDFILL

OPEN: Monday-Saturday 8AM to 4PM

CLOSED: Sundays, New Years Day, July 4th, Thanksgiving, Christmas

How to Get There:

Take the Wanship Exit off of Interstate 80 onto Route 32. Proceed south 3.5 miles. The landfill entrance is opposite the Rockport Reservoir with a big UTELITE sign on the gate. There's also a street sign that says Three Mile Canyon Road.

Pharmaceutical Drop-off Boxes:

Never pour expired or unwanted prescription medicines down the drain or toilet because they will enter the water supply and harm fish and wildlife.

Drop-off Boxes Available:

24/7 – Park City Police Department:

2060 Park Avenue, Park City
(Route 224 next to the Post Office)

Monday-Friday, 8AM to 5PM except holidays –

Summit County Sheriff's Office Lobby:

6300 North Silver Creek Drive, Park City
(in the Summit County Justice Center behind Home Depot).
